

# The **eclipse**

The most stylish and long-lasting residential side-post umbrella on the market today

Contemporary design, robust and durable cantilever umbrella with a 360° rotation feature.

This elegant and modern residential side-post umbrella is a wonderful choice for outdoor living and entertaining. It combines style with strength, size and durability and the multiple tilt levels give maximum shade flexibility.

## Features

- Marine-grade materials guarantee longevity
- Anodized aluminium means no rust, no paint to flake
- Maximise your space and shade with no central post
- Very easy to use
- Full 360° rotation
- Folds into a compact vertical format
- Can be removed for seasonal storage
- Easy installation options
